

3-YEAR SPORT RECOVERY PLAN

Community sporting clubs across Victoria have the opportunity to secure funding to access new equipment, support and training for volunteers and plan for their future.

Applications are now open for the Victorian Government's 2020-21 Sporting Club Grants Program with grants of up to \$1,000 for new uniforms and equipment, up to \$5,000 available for training of coaches, officials and volunteers and up to \$5,000 to improve club operational effectiveness.

The grants are designed to help people of all ages and abilities take part in grassroots sport, no matter where they live in Victoria and to provide a boost for clubs getting back on track following COVID-19 restrictions.

Minister for Community Sport, Ros Spence says;

"Recent coronavirus restrictions have had a heavy impact on community sport, that's why we're so proud to provide this funding lifeline that opens up a range of opportunities on and off the field for clubs and their members"

"When it is safe to do so, we want community clubs to come back better than ever and this boost will go a long way to help clubs, coaches, athletes and officials get back in the game".
